

ARTISTIC CREATION RESIDENCIES 2024 HORT-ART

This is an open invitation addressed to Dance and Body Arts professionals, Valencian, national and international, to participate in Hort-Art's 2024 Creation Residencies.

Continuing our artistic task, we open our space to creative processes, in a new format of creation residencies. With these, we want to create a protected space, where the artist can carry out his research, based on accompaniment and care.

The residencies are aimed at artists, or small format companies, with a maximum of three participants, to develop part of their creation process at the Matadero.
